

Photon 2015

Wednesday 17 June 2015

Low-energy photon experiments, vacuum polarization and light-by-light scattering (11:30-11:55)

-Conveners: Rainer Schicker

time	[id] title	presenter
11:30	[48] Results and Prospect of measuring vacuum magnetic birefringence with PVLAS	Prof. GUIDO, Zavattini

Low-energy photon experiments, vacuum polarization and light-by-light scattering (13:30-14:45)

-Conveners: Rainer Schicker

time	[id] title	presenter
13:30	[6] Photons as signature for dark matter and dark energy: The Cast experiment at CERN	Prof. HOFFMANN, Dieter H.H.
13:55	[38] Upcoming Hidden Photons Searches with ALPS-II and FUNK	Dr DOEBRICH, Babette
14:20	[35] All-optical probes of quantum vacuum nonlinearity	Dr KARBSTEIN, Felix
