

The 6th International symposium on Negative Ions, Beams and Sources (NIBS'18)

Wednesday 05 September 2018

9th session (13:30-15:00)

-Conveners: Marco Cavenago

time	[id] title	presenter
13:30	[77] Operation experience of the BINP Accelerator Mass Spectrometer	Dr RASTIGEEV, Sergey
14:00	[55] Negative ion and helicon wave physics on the Resonant Antenna Ion Device (RAID)	Mr AGNELLO, Riccardo
14:30	[56] Characterization of the helicon plasma generated inside the Cybele negative ion source with different magnetic field configurations	Mr MORGAL, Iaroslav
