

The 9th International Workshop on Charm Physics (CHARM18)

Thursday 24 May 2018

D oscillations and CP Violation (12:10-12:40)

-Conveners: Patrick Robbe		
time	[id] title	presenter
12:10	[99] Searches for direct CPV in charm at LHCb	Mr SCHUBIGER, Maxime

Friday 25 May 2018

D oscillations and CP Violation (11:20-13:05)

-Conveners: Michael Sokoloff

time	[id] title	presenter
11:20	[97] Rare charm decays at LHCb	Mr MITZEL, Dominik Stefan
11:50	[50] Review of recent developments on leptonic and semileptonic charm decays from lattice QCD	Dr SALERNO, Giorgio
12:15	[102] Mixing and CPV measurements at the B-factories	Ms CHEN, Yeqi
12:45	[16] D mixing parameter γ in the factorization-assisted topological-amplitude approach	Dr QIN, Qin
