

**2018 International Conference
“Synchrotron and Free electron laser Radiation: generation and application”
SFR-2018**

25-28 June 2018

Budker Institute of Nuclear Physics SB RAS, Novosibirsk, Russia

First Announcement

<http://indico.inp.nsk.su/event/12/>

We are pleased to announce that SFR-2018, the International Conference "Synchrotron and Free electron laser Radiation: generation and application" will take place at Budker Institute of Nuclear Physics SB RAS, Novosibirsk, Russia from 25 to 28 June 2018. The Conference continues the series of Russian and International conferences on the application of synchrotron radiation held in Novosibirsk since 1975. As before, the primary goal is to deliver the achievements in the field of generation and application of SR and FEL radiation.

Scientific Program

The scientific program of the Conference covers the following themes:

- Status reviews and scientific programs of various SR and FEL centers;
- SR and FEL radiation sources, instrumentation, and experimental methods;
- SR and FEL application in physics, chemistry, medicine, geology, material science, etc.

The Conference will include invited and contributed oral and poster presentations. The Conference languages are English and Russian. The traditional satellite meeting (this year it is "Photon Science for the Environment and the cultural heritage research") will be held just after the conference (June 28 - July 1) in the Altai Mountains.

Registration of participants and submission of abstracts:

Participants should register on the conference website

<http://indico.inp.nsk.su/event/12/registration/>

The submission of abstracts is also available on the Conference site:

<https://indico.inp.nsk.su/event/12/call-for-abstracts/submit>

Please note that you have to make the InDiCo account before registration.

Registration deadline: 10 May 2018.

Conference Fee:

The Conference Fee is 350 Euro for a participant and 100 Euro for accompanying persons. The Conference Fee covers the participant's set, coffee breaks, welcome party, lunches in the BINP canteen, banquet, and excursion. The conference fee is accepted in cash only during the registration on Monday, July 4th. Sorry, we do not accept credit cards.

For Russian participants:

Для российских участников оргвзнос установлен в размере 5 000 руб. Оплата принимается только в безналичной форме. Договор на оплату и счет будет прислан по электронной почте после Вашей регистрации на сайте. Оргвзнос включает в себя участие в работе конференции, набор участника, кофебрейки и фуршет. Оргвзнос должен быть

оплачен до начала конференции. Билет на банкет стоимостью 1500 рублей приобретается отдельно и не входит в оргвзнос конференции.

Publication of abstracts and Conference Proceedings

Abstracts of the conference reports will be published electronically on the website of the conference. The proceedings of the conference are planned to be published in the open-access online journal JPCS (Journal of Physics: Conference Series). The deadline for submission of materials to the Conference Proceedings is June 28, 2018.

Conference Venue and Transportation

The Conference will take place at Budker Institute of Nuclear Physics in Akademgorodok (Academytown) of Novosibirsk, Russia. Akademgorodok is situated 30 km from the downtown of Novosibirsk and 40 kilometers from the international Novosibirsk airport Tolmachevo. Novosibirsk is Russia's third-largest city, situated 3000 km to the East from Moscow and can be reached by regular flights from Moscow and St-Petersburg (the flight takes four hours). There are also direct flights from Frankfurt, Berlin, Beijing, and many other cities.
