

2016 International Conference “Synchrotron and Free electron laser Radiation: generation and application”

SFR-2016

July 4 - 7, 2016

Budker Institute of Nuclear Physics SB RAS, Novosibirsk, Russia

<http://indico.inp.nsk.su/event/3>

Third Announcement

We are pleased to announce that SFR-2016, the International Conference "Synchrotron and Free electron laser Radiation: generation and application" will take place at Budker Institute of Nuclear Physics SB RAS, Novosibirsk, Russia, from July 4 till Thursday, 7th, 2016. The Conference continues the series of Russian and International conferences on the application of synchrotron radiation held in Novosibirsk since 1975. As before, the primary goal is to deliver the achievements in the field of generation and application of SR and FEL radiation.

Scientific Program

The scientific program of the Conference covers the following themes:

- Status reviews and scientific programs of various SR and FEL centers;
- SR and FEL radiation sources, instrumentations and experimental methods;
- SR and FEL application in physics, chemistry, medicine, geology, material science etc.

The Conference will include invited and contributed oral and poster presentations. The Conference languages are Russian and English.

Satellite meeting "Photon Science for the Environment research" on the Lake Baikal, 8-12 July 2016. The Program of the tour includes a travel by train from Novosibirsk to Irkutsk, three-day stay at a hotel at Lake Baikal, scientific session, sally over Baikal Lake, visit to the Baikal National Park, etc. Program of the tour, time schedule and price you can find on the Conference Web <http://indico.inp.nsk.su/event/3>

Delegate Registration and abstract submission

Participants should be registered at the conference website

<http://indico.inp.nsk.su/event/3/registration/>

The abstracts submission is opened at the conference site as well:

<https://indico.inp.nsk.su/event/3/call-for-abstracts/submit>

Please note that you have to make the simple InDiCo account before registration.

Registration deadline: 23 May 2016.

Conference Fee

The Conference Fee is 350 Euro for participants and 100 Euro for accompany persons. The Conference Fee covers the participant's set, coffee breaks, welcome party, lunches in the BINP canteen, Conference dinner, social program (visit the Novosibirsk theatre ballet "Spartacus" and excursion) and the Conference proceedings in "Physics Procedia" as well. The conference fee is accepted in cash only during the registration at Monday, July 4th. Sorry, we do not accept credit cards.

For Russian participants:

Для российских участников оргвзнос установлен в размере 5000 рублей. Оплата принимается только в безналичной форме. Договор на оплату и счет будет прислан по электронной почте после Вашей регистрации на сайте. Оргвзнос включает в себя набор

участника, кофебрейки и фуршет. Оргвзнос должен быть оплачен до начала конференции. Билеты на банкет (1500 рублей) и на балет «Спартак» в НГАТОУБ (900 рублей) приобретаются отдельно в Оргкомитете. Количество билетов ограничено.

Publication of abstracts and Conference Proceedings

Abstracts of the conference participants will be published electronically on the website of the conference.

The Conference proceedings will be published in online open-access journal **Physics Procedia** (by Elsevier) ([Site of Physics Procedia](#)).

Deadline for presenting the manuscripts to the proceedings - **July, 7th 2016**, the last day of the Conference. Only the contributions (oral or poster) presented at the Conference will be accepted for the proceedings. All manuscripts are planned to be published, but the Organizing Committee reserves the right to decline the papers with low quality or with theme outside the Conference field. The manuscripts submitted for publication to Physics Procedia will pass the peer review procedure providing by the Organizing Committee. **Templates for manuscript preparation** can be downloaded at <http://indico.inp.nsk.su/event/3/page/3>

Each paper in a Physics Procedia issue shall consist of a **minimum of 3 (Three)** pages and a **maximum of 8 (Eight)** pages.

Conference Venue and Transportation

The Conference will take place at Budker Institute of Nuclear Physics SB RAS in Akademgorodok (Academytown) of Novosibirsk, Russia. Akademgorodok is situated 30 km from the downtown of Novosibirsk and 40 kilometers from the International Novosibirsk airport Tolmachevo. Novosibirsk is Russia's third largest city in 3000 km to the East from Moscow and can be reached by regular flights from Moscow and St-Petersburg (the flight takes four hours). There are also direct flights from Frankfurt, Berlin and Beijing.

Accommodation

Organizing Committee propose you to stay at the one of two hotels in Akademgorodok: **2-star "Golden Valley"** Hotel (nearest to BINP, 1400 meters) and **4-star "Park Wood"** Hotel (about 2500 meters). See a [map of surroundings](#).

Room's types and price: for the ["Golden Valley"](#) hotel and for the ["Park Wood"](#) hotel.

Please let the Organizing Committee to make the room reservation to give you the discount. These discount rates are for the Conference attendees and accompanying persons only if booked through the Organizing Committee. Breakfast in the "Golden Valley" is not included but can be ordered during check-in (300 Rubles per day).

Please indicate your choice at the [Registration Form](#) (chapter "Accommodation").
