

We had 3 days of fruitfull Belle II Trigger/DAQ workshop: 45 presentations (11 remote talks) and discussions during three days.

Thanks to all participants for comming to workshop and efficient work!

We'd like to thank direction of BINP for hosting and NSU for support of BelleII Trigger/DAQ workshop.

This workshop could not be carried out without help of many people who did preparation paper work, organizing transportation, supporting network, organizing tours and BBQ party.

Many Thanks to: BINP International division:

Andrey Prokopenko, Ekaterina Romanenko

BINP scientific servicies department and BINP transport devision:

Maxim Kuzin, Viktoria Maximovskaya, Tat'jana Vorobyeva

BINP computing center: Sergey Dubrov

Our young colleaugues who were carring out huge technical work before and during this workshop

Anna Vinokurova, Vitaly Vorobyev

THANK YOU!!!
