

Dear Colleagues,

Below are links to AFAD-2021 Zoom sessions.

AFAD is an open event, so feel free to share these links with your colleagues and students.

The Zoom sessions will start 30 minutes before the AFAD sessions. You are welcome to join in advance, say “hello” to the organizers and make sure that your camera and microphone work properly and slides are visible.

During the AFAD sessions, please mute your microphones.

If your bandwidth allows, please switch on your camera when making a presentation or asking a question. This will bring our event closer to conventional meetings.

You can find the actual timetable of the talks on the website (<https://indico.inp.nsk.su/event/42/timetable/#all.detailed>). The timetable is still changing, since some talks can be cancelled or added shortly before the sessions.

Looking forward to meet you online,

Konstantin Lotov,

Chair of AFAD-2021 Organizing Committee
